Joshua Finke
Fire Chief

Eric Lang
Deputy Fire Chief

SAFER District Homeowners

SAFER District is excited to announce, with the help of a Wisconsin Public Service grant, that homeowners within the fire district coverage area are eligible for **2 free carbon monoxide** detectors installed by SAFER firefighters. The SAFER District fire coverage area includes: the **Villages of Weston and Rib Mountain, the Town of Weston, the Town of Marathon, and the Town of Stettin east of CTH O.** We strongly encourage residents to have at least one working carbon monoxide detector on every level of their home AND one in each bedroom. Even if you currently have carbon monoxide alarms in your home, remember that they have an expiration date of 8 years and need to be replaced. Please check the manufacturer's date on the back of your alarm to ensure it has not expired.

Please complete the following information:

First and Last Name: _____

Home Address: _____

Phone Number: _____

Do you own your home? Yes ☐ No ☐

If you rent, who is your landlord?

Name: _____

Phone Number: _____
